Description

Introducing our versatile Van Trier 420-80 Flat conveyor, ideal for various material handling applications or for the agricultural sector. With a length of 4.2m and a belt width of 80cm, these mobile conveyor belts offer flexibility in transporting goods across distances or adding extra length to conveyor lines. Whether you need to sort products or eliminate unwanted items, such as bad potatoes or onions, these conveyor belts are up to the task. Perfect for use in recycling facilities or agricultural settings, they streamline processes and improve efficiency. Invest in our Van Trier 420-80 Flat conveyor today to optimize your material handling operations.

Specifications
