Description

Simplify your bulk loading processes with our ready-to-ship Breston Z26-120XW Ship loader mobile ship loaders. Compact yet powerful, these loaders are engineered for versatility, handling a wide range of materials including grains, cocoa beans, coffee beans, and more. With a length of 26m and a belt width of 120cm, they deliver high-capacity performance of up to 650TPH, ensuring efficient transfer operations in ports and transfer terminals. Whether you're in the grain industry or require efficient bulk handling solutions, our mobile ship loaders are designed to meet your needs promptly and effectively.

Specifications

Make	Breston
Condition	New
Type of belt	Chevron
Plug	63A-5P
