BRESTON

Breston Z2500X ECO Receiving hopper

€43.950

Description

Breston Z2500X ECO Receiving hopper is a versatile solution for efficient bulk handling operations. Built in 2016 and meticulously maintained to ensure peak performance, this Used receiving hopper boasts a generous floor width of 250cm and floor length of 5m. Equipped with 7 Smooth rollers, it is engineered to handle various agricultural materials with precision. Designed to facilitate the seamless transfer of materials from low supply points, it offers compatibility with conveyor belts, dual belts, or storage loaders, providing flexibility to suit different operational needs. The Breston Z2500X ECO Receiving hopper simplifies the bulk handling process from start to finish. Products arriving from the field are efficiently unloaded into the hopper, where they are then processed through a soil separating module. This process ensures that the product is thoroughly cleaned, optimizing efficiency and minimizing waste. Ideal for a wide range of industries and applications, the Breston Z2500X ECO Receiving hopper offers reliability, efficiency, and precision in every operation. Enhance your operations today with the reliable and high-performance Breston Z2500X ECO Receiving hopper.

Specifications

Make	Breston
Condition	Used
Type of rollers	Smooth rollers
Capacity Control Sensors	Yes

Features

- | | |
|-----------------------|----------------------------|
| ✓ Variable belt speed | ✓ Capacity Control Sensors |
| ✓ Start-stop control | ✓ Frequency inverter |
