Description

Maximize efficiency in ship loading operations with our high-capacity Breston Z26-120XW Ship loader mobile ship loaders. Featuring a length of 26m and a belt width of 120cm, these loaders offer exceptional performance for bulk handling tasks. Their versatility extends to handling grains, cocoa beans, coffee beans, and other materials, making them indispensable in ports and transfer terminals. What sets them apart is their compact design and immediate availability, ensuring minimal downtime and swift integration into your operations. Elevate your bulk handling efficiency with our reliable solutions tailored for the demands of modern industries.
