

## BRESTON

# Breston NB10-250C Dosing bunker

€51.850

## Description

---

Introducing our top-of-the-line machine, Breston NB10-250C Dosing bunker. Known for its unbeatable price-to-quality ratio. With a robust frame and easy operation, it offers a {{ ATTRIBUTE\_BELT\_LENGTH }} length and {{ ATTRIBUTE\_BELT\_WIDTH }} for versatility. The hydraulic height adjustment, coupled with a drum motor and frequency control, ensures precise performance. Plus, it features a retractable towbar for added convenience. Elevate your productivity with this exceptional machine.
