Description

Introducing our top-of-the-line machine, WIFO HOD-200 Loading bucket. Known for its unbeatable price-to-quality ratio. With a robust frame and easy operation, it offers a {{ ATTRIBUTE_BELT_LENGTH }} length and {{ ATTRIBUTE_BELT_WIDTH }} for versatility. The hydraulic height adjustment, coupled with a drum motor and frequency control, ensures precise performance. Plus, it features a retractable towbar for added convenience. Elevate your productivity with this exceptional machine.
