## WIFO HOD-Z-275 Loading bucket

€5.985

## Description

---

WIFO HOD-Z-275 Loading bucket - Perfect for Handling Potatoes and Onions The WIFO HOD-Z-275 Loading bucket is specially designed for handling damage-sensitive products, including potatoes and onions. The loading bucket has a width of 275cm and a total volume of 2400L, ensuring it meets the demands of your project efficiently. The scoop's rounded edges help protect products from damage, while the wear-resistant manganese cutting edge provides exceptional durability. Additionally, the dual hinge mechanism minimizes height loss during emptying, and the integrated view-through grid ensures optimal visibility.
