Description

Simplify your bulk loading processes with our ready-to-ship Breston Z22-100XW Ship loader mobile ship loaders. Compact yet powerful, these loaders are engineered for versatility, handling a wide range of materials including grains, cocoa beans, coffee beans, and more. With a length of 22m and a belt width of 100cm, they deliver high-capacity performance of up to 350TPH, ensuring efficient transfer operations in ports and transfer terminals. Whether you're in the grain industry or require efficient bulk handling solutions, our mobile ship loaders are designed to meet your needs promptly and effectively.

Specifications
