Description

Efficient Bulk Handling Solutions for Ports and Transfer Terminals Enhance your port and transfer terminal operations with our efficient bulk handling solutions. Our mobile ship loaders combine compact design with versatility to cater to diverse material handling requirements. With a robust capacity of around 600TPH, these loaders excel in loading grains, cocoa beans, coffee beans, rice, and various granulates. Benefit from immediate availability with our in-stock inventory, eliminating lengthy wait times for machine readiness. Experience seamless ship loading and streamline your bulk handling processes with our efficient solutions tailored for the grain and recycling industries.

Specifications

Make	Breston
Condition	New
Type of belt	Chevron
Plug	63A-5P
Wheel drive	Hydraulic

Features

- Van Der Graaf drum motor
- Start-stop control
