# Breston Z22-100XW Ship loader

€82.800

## Description

---

Efficient Bulk Handling Solutions for Transshipment Discover our line of compact and versatile Breston Z22-100XW Ship loader mobile ship loaders, engineered for efficient bulk handling operations in ports, transfer terminals, and transshipment sites globally. With a length of 22m and a belt width of 100cm, these loaders excel in handling various materials, including grains, cocoa, and other bulk commodities. Boasting a high capacity of approximately 350TPH, they ensure seamless loading processes for a wide range of vessels, from barges to handymax/baby capsized vessels. Their mobility facilitates support for existing stacker/reclaimer systems during breakdowns or maintenance, optimizing space usage and expanding your stockpile. With immediate availability, our ready-to-ship loaders guarantee minimal waiting time, enabling smooth and efficient transshipment operations tailored for the grain and bulk handling industries.

## Specifications

---

<b>Make</b>	Breston
<b>Condition</b>	Used
<b>Type of belt</b>	Smooth
<b>Plug</b>	32A-5P
<b>Wheel drive</b>	Electric
