Description

Introducing the Cito 8+9 Dual belt conveyor: a versatile solution for agricultural material handling. With telescopic conveyor belts, each measuring 8+9m and 65cm in width, this conveyor offers a capacity of 70TPH. Its unique design allows for extendable and retractable functionality, comprising two separate parts to facilitate operation at angles or around corners. Ideal for loading agricultural products like potatoes or onions in-store, it can also handle cocoa beans and serves as a sorting belt for crops, efficiently sorting out imperfections like bad potatoes or clods.

Specifications

Make	Miedema
Condition	Used
Plug	32A-5P
Height adjustment input	Hydraulic with handpump
Height adjustment output	Hydraulic with handpump
Length adjustment	Manually

Features

- 2 belt speeds
