€74.176

PHOTOS COMING SOON

 **VAN TRIER**

Description

Explore the versatility of the Miedema ML1680 Premium Store loader, manufactured in 2025, a reliable solution tailored to streamline material handling processes. With a length of 16m and a belt width of 80cm, this store loader boasts a capacity of 100TPH, making it a perfect choice for transporting crops and industrial materials alike. Whether in agricultural settings for crops like potatoes, onions, and carrots or in industrial environments for materials such as coal and ores, this store loader ensures efficient operations with its adaptable swivel and drive modes.
