Miedema MC1780C Dual belt conveyor

€29.048

PHOTOS COMING SOON

Description

Explore the efficiency of the Miedema MC1780C Dual belt conveyor, a reliable solution for agricultural material handling needs. With telescopic conveyor belts each 16m in length and 80cm in width, this conveyor offers a capacity of 120TPH. Its telescopic feature enables easy extension and retraction, allowing seamless loading and sorting of crops like potatoes, onions, carrots, and cocoa beans, ensuring optimal productivity in agricultural operations.
