MIEDEMA

Miedema SB851 Receiving hopper

€28.750

Description

The Miedema SB851 Receiving hopper is a reliable and versatile solution for bulk handling needs. Constructed in 1997, this Used receiving hopper offers a wide floor width of 240cm and a generous floor length of {{ ATTRIBUTE_FLOOR_LENGTH }}. It is equipped with 6 Smooth rollers to handle agricultural materials with high precision. Designed to make the transfer of materials from low supply points seamless, it works well with conveyor belts, dual belts, or storage loaders, adapting to various operational requirements. The Miedema SB851 Receiving hopper simplifies the entire bulk handling process. Products from the field are unloaded into the hopper and processed through a soil separating module, ensuring they are thoroughly cleaned and minimizing waste. Ideal for a variety of industries and applications, the Miedema SB851 Receiving hopper delivers consistent reliability, efficiency, and precision in every operation. Enhance your operations today with the reliable and efficient Miedema SB851 Receiving hopper receiving hopper.
