MIEDEMA

Miedema MC2080C Dual belt conveyor

€31.400

Description

Introducing the Miedema MC2080C Dual belt conveyor: a versatile solution for agricultural material handling. With telescopic conveyor belts, each measuring 20m and 80cm in width, this conveyor offers a capacity of {{ ATTRIBUTE_CAPACITY }}. Its unique design allows for extendable and retractable functionality, comprising two separate parts to facilitate operation at angles or around corners. Ideal for loading agricultural products like potatoes or onions in-store, it can also handle cocoa beans and serves as a sorting belt for crops, efficiently sorting out imperfections like bad potatoes or clods.
