Description

Explore the versatility of the Breston HV16-80 Store loader, manufactured in 2021, a reliable solution tailored to streamline material handling processes. With a length of 16m and a belt width of 80cm, this store loader boasts a capacity of 125TPH, making it a perfect choice for transporting crops and industrial materials alike. Whether in agricultural settings for crops like potatoes, onions, and carrots or in industrial environments for materials such as coal and ores, this store loader ensures efficient operations with its adaptable swivel and drive modes.
