

VAN TRIER

Van Trier DB 2-800-80 Dual belt conveyor

€27.450

Description

Introducing the Van Trier DB 2-800-80 Dual belt conveyor: a versatile solution for agricultural material handling. With telescopic conveyor belts, each measuring 16m and 80cm in width, this conveyor offers a capacity of 125TPH. Its unique design allows for extendable and retractable functionality, comprising two separate parts to facilitate operation at angles or around corners. Ideal for loading agricultural products like potatoes or onions in-store, it can also handle cocoa beans and serves as a sorting belt for crops, efficiently sorting out imperfections like bad potatoes or clods.

Specifications

Make	Van Trier
Condition	Used
Plug	32A-5P
