Description

Introducing the Breston 2x6-100 Dual belt conveyor: a versatile solution for agricultural material handling. With telescopic conveyor belts, each measuring 12m and 100cm in width, this conveyor offers a capacity of 130TPH. Its unique design allows for extendable and retractable functionality, comprising two separate parts to facilitate operation at angles or around corners. Ideal for loading agricultural products like potatoes or onions in-store, it can also handle cocoa beans and serves as a sorting belt for crops, efficiently sorting out imperfections like bad potatoes or clods.

Specifications

Make	Breston
Condition	Used
Plug	32A-5P
Height adjustment input	Hydraulic with handpump
Height adjustment output	Hydraulic with handpump
Length adjustment	Electric
Scraper at the end	Yes

Features

- Van Der Graaf drum motor
- Variable belt speed
