

BRESTON

Breston 2x8-100 Dual belt conveyor

€33.850

Description

Introducing the Breston 2x8-100 Dual belt conveyor: an essential tool for agricultural material handling. With telescopic conveyor belts, each measuring 16m and 100cm in width, this conveyor offers a capacity of 18TPH. Its innovative design enables extendable and retractable functionality, making it perfect for loading various crops such as potatoes, onions, carrots, and cocoa beans while providing efficient sorting capabilities.
