Description

Experience the efficiency of the Breston HV14-80 Store loader, crafted in 2018, a robust solution engineered to enhance material handling efficiency across diverse industries. With a length of 14m and a belt width of 80cm, this store loader boasts a capacity of 125TPH, making it ideal for transporting a variety of materials. Whether handling crops like potatoes, onions, and carrots in agriculture or storing industrial materials like coal and ores, this versatile store loader ensures seamless operations with its adaptable swivel and drive modes.
